### Happy Victoria Day

I learned something during my research for this weeks paper. Canada is the only country that celebrates Queen Victoria with a legal holiday observance. That fact took me by surprise, I would have thought the UK or Australia would have one as well but they don't. Since 1901, on the penultimate Monday of every May we have celebrated the birth day of Queen Victoria. Make note of business closings this coming long weekend and plan accordingly.

### Eastend Historical Museum Opens Saturday

This weekend, the doors open for the season at the Eastend Historical Museum. This museum is a fascinating curation of Eastend's history housed in their newly built facility. It's a very friendly and welcoming place, both from the perspective of staff interaction and the layout of the display pieces as well. If you haven't seen it lately, take a stroll on Saturday.

### Eastend Agencies Celebrates 20 Years

On May 1st, Bonnie Gleim celebrated her 20th year as owner and manager of Eastend Agencies, the SGI issuer office and insurance agency for home, farm, business and health in Eastend. On May 1st the agency was at times a joyful din of well-wishing and reminiscing, with customers and visitors from near and far stopping in to chat and partake of the sushi from Hidden Valley Foods, the donuts from the Eastend Convenience Store, or cookies from Kilted Kitchen. Door prizes were awarded and given to the lucky winners. Congratulations Bonnie, a champion of the small town way of life and fervent supporter of the Boston Bruins, on your 20 years! Photos are inside.

### Eastend MS Walk 2023

For 25 years, the Eastend MS Walk was organized by Bonnie Gleim, but now it has a new face leading the annual Walk and fund raiser for MS. Donovan Henrion from Shaunavon, a wonderful young man with a huge heart and who suffers with MS has taken the lead now that Bonnie has stepped down. The MS Walk in Eastend will be on Sunday May 28th at the rink at 1pm. I am asking anyone who reads this to consider donating to the Eastend MS Walk in the name of one of the many Walkers from the area, and even better if we get to see you there for the Walk on Sunday. This cause is one that is close to many hearts in our area, I hope to see some of you at the rink

## Lucky Horseshoe - Equine Assisted Learning

### "Life Skills with Horses"

Or simply put, "a learner based educational experience with horses."

Children, Teens, Adults, Couples or Groups - Upcoming sessions June 1 to August 31, 2023

Equine Assisted Learning – no horse experience necessary, this is on the ground in the dirt with a horse as the teacher – everything, including the horse is provided.

**Come on out, see what its all about!**

Also starting in June – I will be offering riding lessons. You bring your own horse and I will work with you to improve your riding skills.

English, Western, Trail, Pleasure, Horsemanship, Patterns, Obstacles.....

## When Poetry Belonged to Everyone

For thousands of years, and hundreds in our own language, poems were made to be listened to, remembered, and shared.

You didn't need to be literate; the poems didn't need to be explained. A hundred years ago, everything changed –poetry took a different path; all the arts did. I want to share some from that earlier time - poems of love, betrayal, war, adventure and the supernatural: poems whose music will linger in your ears.

## SPRING TIME IS CLEAN TIME

While we're cleaning the house and getting our gardens ready for the warmer weather, it's a great time to do some home maintenance to help protect against the elements.

### Roof:

*Insurers now depreciate your roof shingles in the event of a claim.*

**Check your roof shingles for curling edges, loose or shifted tiles, and cracks. Replace as needed.**

### Eavestrough/Downspout:

*Water seeping into foundation over time is not covered under any insurance.*

**Protect your dwelling from water damage by ensuring eavestrough are cleared and downspouts are sufficient length and angle to draw water away from the house.**

### Foundation:

*The best defense against water entering your basement is checking the foundation for cracks*

**Do a complete survey of your foundation and seal or repair all cracks you can see.**
