> This Week Triways is picking up TRASH in the GREY bins

DINO DAYS 2023 IN THE BOOKS

It was a scorcher of a weekend, but it didn't stop the crowds from enjoying everything that Dino Days 2023 had to offer. From the beer gardens, to the home run derby, to the demolition derby and dance, and Art Walk and unveiling of the rostrum produced by the late Nick Saville and finally to the Caesar Sunday in the town square. The people were abundant, and so are the photos inside. This year's Dino Days, the Eastend art community utilized this special weekend to celebrate the life of artist Nick Saville whom we lost this year.

Credit goes to Angie and Katherine for doing so much work to get Dino Days to be the party it was for everyone. Thanks to Evelyn Sankey, Kim Redlin, and Heidi Topham for the photos submitted to the Echo for this week.

EXTREME HEAT WARNING

This week we are experiencing extreme high temperatures. For the safety of you and your loved ones, follow the advice of Environment Canada for these conditions:

During Heat Waves:

- •Drink fluids, especially water, before feeling thirsty.
- •Slow down! Your body can't function as well in high temperatures.
- •Cool down in cool store, public library, or community pool.
- •Shade heads and faces with a loose-fitting ventilated hat or umbrella when
- •Dress appropriately in light-weight, light-coloured, and loose-fitting clothing.
- Avoid getting sunburned. It decreases the body's ability to cool.
- •Never leave infants, children or pets inside a parked vehicle.
- •Remember to check on elderly family members, neighbours and friends to make sure they are comfortable and safe.

Common symptoms and treatment of hot weather illnesses: may be flushed at first, later ashen or purplish.

Letters To the Editor

Letters are presented as a public service and does not necessarily represent the views of this publication.

A Big Bouquet of Thanks...

Hello Editor,

A big bouquet to Kathryn of the Eastend Coop and two Hutterite men who rescued us after we encountered car problems on HWY 614 north of Eastend. And to Kathryn's husband Josh who drove us back to our accommodation in Tompkins. Everyone we encountered in our unexpected adventure were so kind and hospitable. Thank you!

Allan, Ailsa, Harv & Shelley

HOLDERSON Before the hail hits

Clear your eavestroughs of debris to minimize ice dams or water damage.

Inspect your roof for damage and repair any problem areas.

Remove weak branches or trees in close proximity to your home.

Store patio furniture and outdoor accessories in an enclosed space.

Move vehicles into a garage or use a hail protector cover to avoid costly repairs
