**LIGHT UP THE SQUARE DEC 5**

The Eastend & District Chamber of Commerce is lighting up the tree and the town square next Tuesday, Dec 5 at 5pm. There will be traditional handing out of oranges with Santa, who will be there to take letters from children back to the North Pole. The residents of Wolf Willow will get a visit and Christmas Carols sung by anyone who wishes to join. And of course, there will be the lighting of the tree and the town square marking the "official" start of the holiday season.

**IG Night Photos**

This week in photos, Scott Morvik and Jesse Gordon threw a soiree on Saturday for clients of IG Wealth Management. The dinner catered by JC's Cakes and Catering from Shaunavon was spot-on, and the live band was a knockout! They're called "Fox and the Hounds" from Medicine Hat, and boy did they keep the feet moving all night. If I were looking for a live band for my event, I wouldn't think twice about hiring those young folks.

**Kids Raise Money for SPCA**

Also this week in photos, Pheonix and Pedro were snapped outside of Hidden Valley Foods on Friday as they braved the cold to sell hot chocolate for the SPCA.

**REPORT FROM GARDEN MARKET MEETING**

Melanie Graven offers up the following write up of the meeting held last week regarding the future of our market. On the 23rd an enthusiastic group met at the Library to discuss revitalizing our Eastend Garden Market. How to create a weekly event that better represents all the abilities, cultures and creativity of our Southwest Region. Building something that inspires connection, while meeting the needs of our community. Watch in 2024 for the rolling out of The Eastend Friday Night Festival. Opening evening will be June 21st. Expect to be able to get some dinner, shop local produce, arts and local businesses, engage in a workshop, and be entertained by live music. Reach out by email to thebluedogstudio@gmail.com if you'd like to take part in Market organization, sign up as a flagship or occasional vendor, entertainer, workshop facilitator or..... The possibilities are endless!

**PHOTOS FROM STEGNER RESIDENT TALK**

The week in photos we have Stegner House Resident Artist, Ayaz Pirani who spoke at the Blue Dog on Friday. Mr. Pirani is a poet and author and he read from a selection of his books, such as "Happy You Are Here: Poems" as well as conversing with the audience at the Blue Dog about his life and experiences living and traveling the globe. Born in Tanzania from parents from Tanzania and Kenya, raised in Canada and now living in the USA; Mr.Pirani was unsure how he would be received. He knew by the end of the night, that he didn't have anything to worry about. The crowd was enchanted and entertained by both the readings and the Q&A.

**2024 CHANGES TO  
 SGI SERVICE LINE**

HSB Canada currently offers SERVICE LINE coverage for homeowners to a limit of \$10,000 coverage for the service lines that connect a home to outside utility lines (underground: pipes, propane or natural gas lines, and electrical service and data lines) on the customer's property if any of those lines fail or are accidentally damaged.

Starting in 2024 at renewal time of existing home policies, the limit for any service line older than 50 years will be reduced from \$10,000 to \$2,500.

- If several service lines on the property are damaged in the same incident, a customer can make a claim of up to \$10,000, with a limit of \$2,500 each for lines that haven't been replaced for 50 or more years.
- This coverage limit is tied to the age of the service line, not the age of the home. If a line on the property was installed or replaced within the last 50 years, it may still be covered to \$10,000.

Talk to your broker to see how this affects you.
