WELCOME TO DECEMBER!

Time continues to speed up from yesterday, which I swear was July. This month we have only 3 issues, with the final print for the year being December 19th. We will then take break and return on January 9th, 2024 for our 13th year !

LIGHT UP THE SQUARE TONIGHT

At 5 pm The Eastend & District Chamber of Commerce is handing out hot chocolate and hot dogs to the public in anticipation of the lighting up the tree and the town square. After the unfortunate actions that imperiled the lighting, the community came together and provided enough lights to make up for our losses and then some. Special "Thank You" to the team at *Crazy Cowboys Electrical* for donating the service to repair our lights, and for donating and installing the new lights on the tree. We are truly grateful to everyone. We are good to go for a great Winter!

LACHLAN NEVILLE CONCERT HELD AT BLUE DOG

Last Friday at the Blue Dog, the audience was treated and I do mean treated to the mellifluous voice of Lachlan Neville. He's young man who graduated High School this year from Rocanville, a little community about 2.5 hours East of Regina. This concert was a mix of original music (he's been writing his own songs for years) and cover songs from the likes of John Prine and Bob Dylan as examples. From the engagement with his audience, the strong vocal talent, and his writing I foresee a bright future for this artist if he comes out of the gate this strong. I couldn't recommend hiring him more highly to anyone looking for an entertainer. I would say check him out on Youtube by searching for "Lachlan Neville" or going to his youtube channel directly at www.youtube.com/@lachlanneville7138 where you can watch him perform. We have some photos inside.

YOUR LETTERS COULD HELP MAKE THE DIFFERENCE

We have a letter this issue from the School Community Council asking for everyone who answers the call to sign a form letter or write their own asking the government to properly fund the Chinook School District and stop making cuts. You can read the full details inside.

PHOTO EXHIBIT AT EASTEND LIBRARY

The latest display at the Eastend Public Library is the work of local photographic artist Jeremy Schrag. Jeremy is known for "storm chaser" photos. He's very talented and dedicated to his photography. Check out his gallery of photos at the library until Feb 5th.

**2024 CHANGES TO
 SGI SERVICE LINE**

HSB Canada currently offers SERVICE LINE coverage for homeowners to a limit of \$10,000 coverage for the service lines that connect a home to outside utility lines (underground: pipes, propane or natural gas lines, and electrical service and data lines) on the customer's property if any of those lines fail or are accidentally damaged.

- Starting in 2024 at renewal time of existing home policies, the limit for any service line older than 50 years will be reduced from \$10,000 to \$2,500.
- If several service lines on the property are damaged in the same incident, a customer can make a claim of up to \$10,000, with a limit of \$2,500 each for lines that haven't been replaced for 50 or more years.
 - This coverage limit is tied to the age of the service line, not the age of the home. If a line on the property was installed or replaced within the last 50 years, it may still be covered to \$10,000.

Notes of Hope

"How silently, how silently,
the wondrous gift is giv'n!
So God imparts to human hearts
the blessings of His heav'n.
No ear may hear His coming,
but in this world of sin,
where meek souls will receive Him still,
the dear Christ enters in."

SOLUTION

An appeal for help from our community.

Every adult of voting age, your letter could help our school. We are asking anyone willing and able to help us with a letter writing campaign. You don't have to even write the letter yourself, the SCC has letters already written stating that **we want less cuts and more funding to the Chinook School Dividsion.**

Numbers make the difference. The more letters we send, the more they take it seriously to consider.

We want to let the Provincial Government know that public education is an extremely important and worthwhile investment that deserves sufficient and sustainable funding. Eastend School now has triple split classrooms. We supply a huge amount of education tax dollars from our town and rural municipalities.

We have letters for people to sign or people can write their own.

We will deliver the letters to our MLA, Minister of Education and Premier Moe. Get your letters to Heidi or come and sign one at Eastend Agencies. Once again, we are looking for people who will essentially "sign our petition" by sending a letter asking for less cuts.

Thank you for your time.

PERMANENT FULL-TIME OPERATOR

The Town of Eastend invites applications for the permanent full-time position of Public Works Operator. This position requires Level II Water Treatment Certification and Level I Water Distribution, Wastewater Treatment and Wastewater Collection Certification, as obtained from the Operator Certification Board. Preference will be given to an applicant possessing this level of Certification, but consideration will be offered to an applicant who is willing to obtain this level of certification within a specified amount of time.

The applicant must possess a valid Driver's License with Air Brake endorsement, or be willing to obtain this endorsement, and be capable of operating and servicing equipment such as trucks, mowers, tractors or street sweepers, as required.

The successful applicant will take direction from the Town Foreman, with duties as assigned.

This position offers a SUMA Benefits package and a salary which is dependent on experience and qualification.

Applicants are asked to submit a detailed resume, including experience, references and salary expected, to the Municipal Office by mail, fax or email to:

Town of Eastend
