MEMORIAM TREE AT POST OFFICE

This time of year is about the spirit of joy and renewing our bonds with friends and loved ones. For those who are missing a loved one this season, the Eastend Cemetery is once again offering a chance to remember a loved one on an ornament that is hung on the tree in the post office. Your \$10 will go towards the maintenance of the Eastend Cemetery.

LIGHT UP THE SQUARE PHOTOS

Last Tuesday the kids at Eastend School made ornaments and hung them on the tree in the square while Santa was there to shake hands and give out oranges. The kids were treated to hot chocolate and broke out in spontaneous singing of Christmas carols before they headed back to class. Later that night, members of the Eastend and District Chamber of Commerce were serving free hot dogs and hot chocolate while a roaring fire kept the crowd warm waiting for the magic moment. The tree was lit up along with the rest of the town square as the Sun made it's exit for the day. The Eastend Fire Department was there to kick of the tree lighting with ceremonial flashing of the siren lights from the rescue truck. The weather was perfect for the event, and the mood of the busy square was festive. A donation bucket was in place and raised approximately \$300 with profits going to the Eastend Memorial Hall. The lighting looked great thanks to all the donated lights and the job done by Crazy Cowboys on the tree.

COOKIES AND CAROLS THIS SUNDAY

The folks at the Emmanuel Church are inviting the public for cookies and Christmas carols December 17th at 7pm. Anyone who loves to sing those old fashioned carols or who are wanting to get some of that Christmas spirit should find their way to the Emmanuel Church this Sunday at 7.

U7 Hockey Friday

2024 CHANGES TO SGI SERVICE LINE

HSB Canada currently offers SERVICE LINE coverage for homeowners to a limit of \$10,000 coverage for the service lines that connect a home to outside utility lines (underground: pipes, propane or natural gas lines, and electrical service and data lines) on the customer's property if any of those lines fail or are accidentally damaged.

- Starting in 2024 at renewal time of existing home policies, the limit for any service line older than 50 years will be reduced from \$10,000 to \$2,500.
- If several service lines on the property are damaged in the same incident, a customer can make a claim of up to \$10,000, with a limit of \$2,500 each for lines that haven't been replaced for 50 or more years.
 - This coverage limit is tied to the age of the service line, not the age of the home. If a line on the property was installed or replaced within the last 50 years, it may still be covered to \$10,000.
