RANCHMEN HALL FUND RAISER FEB 17

The Eastend Memorial Hall will be the place to be on the Saturday evening of Feb 17th. Eastend's own musical sensation The Ranchmen are generously playing a concert as a fund raiser for the Hall. It's not enough that you get to listen to some wonderful live music, but there is also a meal available that night as well as full bar. As fund raiser's go, this one has all the ingredients for a great night out in Eastend. If you love live music, if you love good food, if you love to have a drink or two with your friends, if you love to help out the Memorial Hall; this night was made for you! Posters with details are going up in the next days. If you want to reserve a seat at the supper table, you can do that by phoning Eastend Agencies at 295-3655 or dropping by and getting added to the list.

COMMUNITY HAPPENINGS

Along with the special events that I highlight in this publication, there are some events that happen regularly in Eastend and it's been a while since I included them in my reporting of the Echo.

Every Monday is a "come and go" coffee at the United Church from 8am-11am. Also that day at the United church is the Food Bank from 10:30am-5:30pm.

We have highlighted the Hall Walking which happens during inclement weather conditions at the Memorial Hall on Tuesdays, Thursdays and Saturdays (times vary, check out the latest Eastend Events calendar produced by Rosa at the Town Office).

Pickleball is one of Eastend's newest fun and fitness crazes happening at the Eastend School Gym on Wednesdays at 6:30pm. And then there is Public Ice Skating at the Eastend Rink Complex happening on Sundays from 9am-11am. Sometimes the overlap of what we (and by "we" I mean "I") take for granted as everyone knowing (something like Pickleball happening at the school) can mean they get left out of the Echo mentions for months. Here's a reminder.

JEREMY PATZER TOWN HALL

MP Jeremy Patzer gave a Town Hall last Wednesday at the Tea Room to a crowd of about 25 people. Mr. Patzer was soliciting input from locals on what issues were important to our community that he could take back to Parliament on our behalf. It was an altogether pleasant evening with lots of interaction from the attendees.

ASTRONOMY CLUB AGM

The Astronomy Club is holding their AGM in the Eastend library at 7:00pm, Tuesday, Feb 6th, 2023. Everyone is invited to attend. New members are welcome, even if you have never looked in a telescope before or don't know what a red dwarf is. All that is required is your genuine interest and curiosity. We have some of the most amazing skies and opportunities to peer deep into space using the Wilkinson Observatory. There's no time like now to catch some of those views.

2024 CHANGES TO SGI SERVICE LINE

HSB Canada currently offers SERVICE LINE coverage for homeowners to a limit of \$10,000 coverage for the service lines that connect a home to outside utility lines(underground: pipes, propane or natural gas lines, and electrical service and data lines) on the customer's property if any of those lines fail or are accidentally damaged.

Starting in 2024 at renewal time of existing home policies, the limit for any service line older than 50 years will be reduced from \$10,000 to \$2,500.

- If several service lines on the property are damaged in the same incident, a customer can make a claim of up to \$10,000, with a limit of \$2,500 each for lines that haven't been replaced for 50 or more years.
- This coverage limit is tied to the age of the service line, not the age of the home. If a line on the property was installed or replaced within the last 50 years, it may still be covered to \$10,000.
