RANCHMEN HALL FUND RAISER FEB 17

Everyone might be aware, but here is a final reminder that this weekend is the Memorial Hall fund raiser concert and the Arnal Bros Memorial Hockey 3-on-3 Tournament. It's going to be a busy weekend in town for two excellent causes. The Arnal family are hosting the hockey tournament and live auction at the rink this weekend. That tournament is raising funds for the Arnal Memorial Bursary for young farmers. The Memorial Hall is the site of the dinner and Ranchmen concert fund raiser on Saturday evening and that money raised goes toward the Memorial Hall and Tearoom to pay the bills. There will be a silent auction at the Memorial Hall and the doors open at 6 on Saturday. Anyone who wishes may donate to either cause even if they don't wish to attend the functions.

RUMMAGE SALE FUND RAISER

In March the Hall is also having a Rummage Sale fund raiser. Donate your gently used clothing and accessories with money raised helping to pay for the new flooring in the Hall. The marvelous work that was done on the Hall floor needs to be reinforced with supplemental finishes for the next few years. Read the poster inside for more details.

Thanks to Carmen for the photos. Send your photos to editor@eastendecho.ca and you could see them published in future editions of the Echo.

2024 CHANGES TO SGI SERVICE LINE

HSB Canada currently offers SERVICE LINE coverage for homeowners to a limit of \$10,000 coverage for the service lines that connect a home to outside utility lines(underground: pipes, propane or natural gas lines, and electrical service and data lines) on the customer's property if any of those lines fail or are accidentally damaged.

Starting in 2024 at renewal time of existing home policies, the limit for any service line older than 50 years will be reduced from \$10,000 to \$2,500.

- If several service lines on the property are damaged in the same incident, a customer can make a claim of up to \$10,000, with a limit of \$2,500 each for lines that haven't been replaced for 50 or more years.

- This coverage limit is tied to the age of the service line, not the age of the home. If a line on the property was installed or replaced within the last 50 years, it may still be covered to \$10,000.

Talk to your broker to see how this affects you.
