 **HAPPY** 
St. Patrick's Day

HAPPY ST. PATRICK'S DAY

Next Sunday, it will be boiled cabbage and potato cakes for supper as it's St. Patrick's Day. Did you know that Canada is one of only a few places outside of Ireland that has a *Gaeltacht* (an Irish-speaking region) in Tamworth, Ontario that is recognized by the Government of Ireland?

During the Great Famine of 1845, droves of immigrants made their way to Canadian ports in Halifax, and St. John by the thousands. Soon after, the labor market largely consisted of Irish workers who had a large part in creating some of Canada's key iconic landmarks such as the Rideau Canal. Canada is also home to the oldest St. Patrick's Day parade in North America (Sorry, USA, can't win 'em all).

ANNUAL STEGNER HOUSE CELEBRATION & FUND RAISER SATURDAY, MARCH 16

This Saturday will be another one of those don't-miss events for history buffs. I'm kicking myself for missing John Schmitt's history talk, don't be like me and regret this weekend's fund raiser. Donny White has dedicated much, if not most of his life pursuing his love of history. And spent just as much energy in preserving it in his museum work, as well as being an author, and giving talks like the one he is giving on Saturday.

RUMMAGE SALE NEXT TUESDAY AND WEDNESDAY

The Memorial Hall fund raiser happens next Tuesday and Wednesday at the Hall. Donations of good, clean clothing and accessories are still being accepted. For more information, contact phone number is: 306-618-9107 or 306-860-7796

SKATING CARNIVAL PHOTOS

Last Sunday the Eastend Rink hosted the Eastend Skating Club's "Sing!"-themed skating carnival. I was able to watch the whole show from the announcer's booth, and managed to snap a few photos between my announcing duties. Those kids sure looked like they were having a lot of fun, lot's of smiles and cheers from the crowds for the ones who could barely keep standing to the ones moving with the grace of a swan, and guest skater Damien Buekert made sure his trip from Saskatoon was worth it. He had a standout performance that had the crowd "oohing". Everyone did a fantastic job!

2024 CHANGES TO SGI SERVICE LINE

HSB Canada currently offers SERVICE LINE coverage for homeowners to a limit of \$10,000 coverage for the service lines that connect a home to outside utility lines (underground: pipes, propane or natural gas lines, and electrical service and data lines) on the customer's property if any of those lines fail or are accidentally damaged.

Starting in 2024 at renewal time of existing home policies, the limit for any service line older than 50 years will be reduced from \$10,000 to \$2,500.

- If several service lines on the property are damaged in the same incident, a customer can make a claim of up to \$10,000, with a limit of \$2,500 each for lines that haven't been replaced for 50 or more years.

- This coverage limit is tied to the age of the service line, not the age of the home. If a line on the property was installed or replaced within the last 50 years, it may still be covered to \$10,000.

Light Years

Light speed, and the time it takes for light to get anywhere, is the yardstick of Astronomy.

Dr. Ted Venema, Audiologist and avid amateur astronomer, will talk about light, its strangeness and the impossibility of Star Trek's Warp Speed.
